PROVISION OF SAFETY

Visitors to the Southern Technical Training Centre are required to act in a responsible manner and report any concerns to the training centre instructor without delay

THE COMPANY POLICY AND OPERATING PROCEDURE FOR HEALTH AND SAFETY REQUIREMENTS IS DETAILED IN THE LOCAL RULES WHICH ARE AVAILABLE FOR VIEWING BY ANY INTERESTED PERSONS.

THE FOLLOWING NOTES ARE FOR YOUR GUIDANCE AND ASSISTANCE DURING YOUR TRAINING AT THE CENTRE.

- Smoking is not allowed within the building. SMOKING is only allowed in the designated Smoking area outside!
Fire Alarms and Fire Extinguishers are located around the building. A map is available for your inspection. Please make yourself familiar with the fire procedures. You will be informed when the alarms are being tested.
Many processes used in the NDT are Hazardous, please use them responsibly. Protective glasses are available and located in each of the Training room. Hazardous Substance Sheets are available in all training areas.
Should a spillage or accident occur, you must inform a member of staff who will deal with it in accordance with our emergency procedures.
First Aid boxes are strategically placed, and Eye wash Stations are located in the Workshops, please familiarise yourself with their positions.
APPROPRIATE PPE MUST BE WORN AT ALL TIMES. We will supply plastic aprons, latex gloves, safety glasses and paper roll.
If you have any medical condition that you feel we should be aware of PLEASE let us know.

[Magnetic only – candidates who are fitted with a pacemaker must not enter Magnetic Testing Practical areas. Candidates are responsible for adhering to this rule.]
